

SOUTH DAVIS RECREATION CENTER LOW RISK PLAN 2.0

This plan is subject to change with little or no notice depending on directives provided by local and state health departments.

Reopening the Rec Center

The South Davis Recreation District reopened the South Davis Recreation Center on May 21st. The District Board and facility staff met again on June 1st, and it was decided that the facility would start to expand amenities and allow for more flexible use of the facility starting June 8th. The facility in consultation with public health officials, and in accordance with the Utah Leads 4.5 phased guidelines, will begin to offer amenities such as Open Plunge, the Outdoor Pool, Public Skating and Drop in Basketball all with limited capacity. Our operations and programming will continue to be different than normal, and we will outline those changes throughout this document

As always, this plan could change depending on direction we may receive from health officials, as well as adjustments we may need to make operationally. Thank you all for your patience and for helping our reopening be as smooth and successful as possible.

Facility Opening

The South Davis Recreation Center reopened on Thursday, May 21st. Starting on June 8th, our operation hours will be Monday-Friday 5AM - 9PM, Saturday 6AM – 7PM, and Sunday 12PM – 4PM. Based on currently available information and clinical expertise, older adults and people of any age who have serious underlying medical conditions are encouraged not to come to the facility. Entrance Fees with or without a membership or an active membership can be paid online for Fitness Classes, Aquatic Classes, Cycling Classes, Freestyle Figure Skating, and Racquetball (?) through our registration software and will be \$6.00 per person. Those interested in Lap Swimming, the Weight and Cardio areas, and the Track are now able to walk in to the facility anytime while we are open to use these areas. Open Plunge Swimming, the Outdoor

Pool, Drop in Basketball, Open Public Skating, and Drop in Hockey Skills will now be available starting June 8th. Please continue to check our website, www.southdavisrecreation.com, for updates.

Entering the Facility

During Low Risk operation, patrons should not enter the facility if they feel ill or are showing symptoms of COVID-19. Patrons who are experiencing COVID-19 related symptoms (cough, trouble breathing, sore throat, sudden change in taste or smell, fever, or muscle aches or pains), have a temperature of 100.4 or greater, or who have had known contact with someone who has acquired COVID-19 should not use the facility.

Employees will be required to stay home if they are experiencing COVID-19 related symptoms (cough, trouble breathing, sore throat, sudden change in taste or smell, fever, or muscle aches or pains), have a temperature of 100.4 or greater, or who have had known contact with someone who has acquired COVID-19. Employee temperatures will be logged and kept for possible viewing by the health department. Employees should not attend work if they show any symptoms, and will be sent home if symptoms present during a shift.

Patrons will continue to enter the facility through the queue line that forms through our sliding front doors. All patrons will continue to be able to register for Fitness Classes, Aquatic Classes, Cycling Classes, Freestyle Figure Skating Sessions and Racquetball(?) in advance via our online web registration portal found at https://sdrd.activityreg.com/ClientPage_t2.wcs to register for a specific time and session. Those who are attending for Lap Swimming, Weight and Cardio areas, and the Track will not register, but can come in any time while we are open to participate in that activity. .

Patrons attending classes or sessions are asked to enter no more than 15 minutes before their activity to minimize interactions with other patrons. We will still be requiring all patrons to check in at the front desk to receive a wristband for the area in which they are utilizing. If after an activity, a patron desires to utilize another area of the facility we ask that they return to the front desk to receive a new wristband that corresponds with that area.

Anyone who is experiencing or showing symptoms of COVID-19 should not access the facility. We ask that all who enter the facility continue to use hand sanitizer or wash their hands upon entering and often during their time in the facility. It is also encouraged and recommended that all patrons wear face masks while entering and utilizing the facility, other than in the pool. Everyone should clean and sanitize any used equipment after its use.

Memberships and Payments

To utilize the facility one will need to have an active membership and can register through our web portal for a reserved time for Fitness Classes, Aquatic Classes, Cycling Classes, Freestyle Figure Skating sessions, and Racquetball (reserve in person 2 days in advance). If you are a non-member you will also to pay through our web portal for a reserved time for these classes. Members will be provided the first opportunity to reserve a time starting two days prior to the available time slot via our web portal. By noon, the day prior to the available time slot, the registration will open to non-members, but non-members will pay a \$6 day pass fee via the web portal. Members and Non-Members who are planning to walk in to utilize the facility for Lap Swimming, Weights and Cardio, or the Track will not need to register online. We will still have everyone check at the front desk upon entering.

Pass holders who are still not ready to come back to the facility can tell us they want the option to defer their memberships for an additional month at this time. If a pass holder chooses not to defer, their Annual Passes will start back on June 20th. Monthly EFT Pass holders who choose not to defer their pass an additional month will have their normal monthly rate withdrawn on their next withdrawal. Please click [here](#) to review your options.

No refunds will be given for missed reservations and all payments towards reservations are non-transferrable. We encourage members and non-members to ONLY reserve a slot that you can attend so others will have the opportunity to access the facility. All other cancellations will still follow our normal cancellation policy.

Aquatics-Low Risk Phase 2.0

Reservations for lap swimming are no longer available. Lap Pool Swimming is allowed during designated times and lanes within the lap/competition pool. Water walking and lazy river walking is available during designated times and lanes within the leisure pool. Lane assignment will occur on a first come-first serve basis. Be prepared to swim in either deep water or shallow water and more than one swimmer/walker per lane is allowed and can occur.

Open plunge and the Outdoor pool will be available starting June 8th from 1pm – 5pm within our pool areas. Congregating on the pool decks is not allowed and family groups should continue to maintain proper social distancing. There will be limited numbers of people allowed during Open Plunge and in the Outdoor Pool.

Locker Rooms will be open for showers and restrooms. We ask all patrons to maintain proper social distancing while in the locker rooms.

All swimmers are required to take a cleansing shower before accessing the pool.

Aquatic Programs- Low Risk Plan 2.0

Reservations for lap swimming are no longer available. Lap Pool Swimming is allowed during designated times and lanes within the lap/competition pool. Water walking and lazy river walking is available during designated times and lanes within the leisure pool. **As we start to offer more aquatic programming, the number of lanes available for lap swimming will go down compared to the number of lanes available when we reopened.** Lane assignment will occur on a first come-first serve basis. Be prepared to swim in either deep water or shallow water and more than one swimmer/walker per lane is allowed and can occur.

Weight and Cardio Areas - Low Risk Plan 2.0

Reservations for our weight and cardio areas are no longer available. There will be limited number of patrons allowed in the weight and cardio areas during this phase but patrons can now drop in whenever we are open to utilize this space. Patrons will be responsible for maintaining at least 10 ft of social distancing once in the fitness areas, as well as making sure that they clean their equipment after each use. Staff will also be on hand to encourage and maintain social distancing, and to clean equipment after it has been used.

All equipment has been spaced to maintain proper social distance between patrons. For the same reason, some equipment will not be in use during this phase. Equipment has also been relocated to different areas of the facility to allow even more social distancing and decrease the chances of unnecessary interactions. People should maintain social distancing and you may be told by staff that you may not be able to use a certain area until space becomes available. Be prepared to adjust your workouts if you can't obtain access to a certain area or piece of equipment.

In house personal training sessions will be available during this time. Trainers and clients must maintain proper social distancing. Personal training sessions must be coordinated with personal training staff.

There will be disinfectant spray and wipes available throughout the weight and cardio areas to help maintain proper sanitizing of equipment and hand sanitizer locations to keep hands sanitized.

Patrons are encouraged to bring their own mat for stretching if needed.

Fitness Classes - Low Risk Plan 2.0

Reservations for our fitness classes can be made via our web registration portal. Fitness classes will be offered during this phase in limited class sizes to help maintain at least 10

ft of social distancing. Classes will be allowed more participants than in the Low Risk Plan 1.0. Classes could also be held in multiple locations throughout the facility to allow more offerings and help keep class sizes smaller. Patrons will be asked to clean and sanitize any items they may have used during their class. Patrons are also encouraged to bring their own fitness mats when applicable to their class.

Cycling classes will also be offered in limited class sizes to help maintain social distancing. Classes will be temporarily moved to the multipurpose gym to help separate users during a class. Patrons will be asked to clean and sanitize the cycles they used during their class.

Ice Arena - Low Risk Plan 2.0

Reservations for Freestyle Figure Skating can be made via our web registration portal. During this phase, ice time will be limited to Freestyle figure skating sessions, public skating and hockey skills work in limited participant numbers. Freestyle skating times will include student and coach. Patrons are asked to continue to practice safe social distancing while on the ice.

Public Skating Sessions will be for drop in use and will be available during scheduled sessions on the ice.

Drop in Hockey Skills Sessions will be for drop in use and will be available during scheduled sessions on the ice.

Racquetball - Low Risk Plan 2.0

Reservations for racquetball courts can be made in person 2 days in advance. During this phase, the Racquetball courts can be used by multiple individuals. Patrons must bring their own equipment as rental equipment will not be made available.

Tuesday Night League play will now resume.

Child Care - Low Risk Plan 2.0

Starting on June 8th, child care will be available for patrons in limited numbers from 7:30am – 12pm. During this phase, the number of individuals will be reduced to limit the number of children in the child care area. All children and child care staff will have their temperature taken and will be screened for COVID-19.

Drop-In Basketball - Low Risk Plan 2.0

Starting June 8th, drop-in basketball will be allowed in limited numbers and at specific designated times, but will not be available for scrimmaging or game play. Shooting and skill work is allowed.

Summer Youth and Adult Programs - Low Risk Plan 2.0

Under the Low Risk Guidelines of the Governor's Office plans, high-contact team sports are not permitted. There are activities that can take place as long as the participants are able to social distance properly. The South Davis Recreation District has made available a number of different programs available for registration on web portal for both youth and adult programs.

We are currently evaluating our Fall Sports, but will plan to open them for registration in the near future as guidelines continue to change.

Areas Not Open

The following areas will not be available during the Moderate Risk Phase at this time:

Bouldering Cave

Steam Room

Hot Tub

Meeting and Party Rooms

Snack Bars **(Will Open June 15th)**
