

## Disability Membership Pass Eligibility

An individual who is permanently disabled and provides one of the following pieces of documentation at the time of purchase can obtain a Disability Membership Pass that permits the person to purchase at a discounted rate.

1. A statement signed by a licensed physician attesting that the applicant has a permanent physical, mental, or sensory impairment that severely limits one or more major life activity and stating the nature of the impairment.
2. A document issued by a federal agency, such as the Veteran's Administration, which attests that the applicant has been medically determined to be eligible to receive federal benefits as a result of disability. Other acceptable federal agency documents include proof of receipt of Social Security Disability Income (SSDI) or Supplemental Security Income (SSI) due to disability.
3. A document issued by a state agency, such as the vocational rehabilitation agency, which attests that the applicant has been medically determined to be eligible to receive that agencies benefits or services as a result of medically determined permanent disability. Showing a state motor vehicle department disability sticker, license plate, or hang tag is not acceptable documentation.

Please bring the copies of the documentation at the time of purchase. Copies will be rendered to staff to be kept with membership paperwork. Refunds for past membership purchases will not be honored.
